Position: Permanent Full-Time Cook
Location: River Heights Early Childhood Learning Centre (Dorchester, Ontario)
Schedule: Monday – Friday, 35 hours, shift to be determined
Start Date: September 2023

At London Bridge, we view our Cooks as strong contributors to children’s learning that play an important role in the centre community. This is evident through interactions with children and their families throughout the day and in their work. The kitchen provides space for children to learn and contributes to the well-being of the people who share the space. Often, the warm smells coming from the kitchen in the morning provide a comfort for families dropping off their children for the day and can serve as a first impression for families looking for care. The Centre Cook is responsible to prepare and deliver quality, nutritious snacks and lunch for up to 88 children. This includes the daily cleaning and sanitizing of the kitchen as well as hand washing all dishes. The cook ensures food inventory levels by ordering from suppliers while maintaining a pre-approved budget. The individual working in the position will move equipment weighing up to 50 pounds, remain in a stationary position during the shift, and move at a pace that meets established timelines.
