

# CONTINUOUS PROFESSIONAL LEARNING (CPL) SUPPORT NETWORK

PEDAGOGICAL FOCUS: ENGAGEMENT, NETWORKING

## Facilitated By:

**Raluca Wood, RECE, Strive Professional Learning Lead & Sara D'Alessandro, RECE, Strive Resource Centre Specialist**

Are you a Registered Early Childhood Educator (RECE) looking for ideas, support, and opportunity to reflect upon your CPL portfolio cycle? Then, this network of support is for you!

The Continuous Professional Learning (CPL) program is an ongoing professional learning program for RECEs that is grounded in self-reflection, self-directed learning, and the [Code of Ethics and Standards of Practice](#). The CPL Program is designed to support RECEs to enhance their knowledge and skills, strengthen their professional judgment and improve their practice throughout their career (College of Early Childhood Educators, 2024).

In this quarterly, recurring support network you will have the chance to gather with other RECEs, ask questions, share ideas, and chat about all things CPL.
