

INFO FROM THE SOURCE: CHILD CARE AND EARLY YEARS ACT (CCEYA)

PEDAGOGICAL FOCUS: ENGAGEMENT

Facilitated By:
Ellice Stinson & Diane Butler, Program Advisors, Ministry of Education

In this virtual session, the Ministry of Education Program Advisors will engage with leaders* to address the top 3 areas of serious occurrences with the region, break down the related regulations and contexts, and answer participants' pre-generated questions** related to the CCEYA and licensing requirements.

*This session is specifically intended for early years professionals in organizational leadership roles (e.g., supervisor, director, coordinator, etc.).

**The Strive team will engage organizations through a Google Form (link located on this event's webpage) to generate questions for the session. It is important to note that the Program Advisors will not be telling participants what to do or how, but will instead provide interpretation of the CCEYA.
