

Learning and growing together one step at a time

Whitehills Childcare Association is hiring for the following position:

Before and After School Educator- Ilderton, ON

Job Description

At Whitehills Childcare Association, we truly value the role that our educators play in the lives of children 4-12 years and their families in our before and after school programs.

We have a position available beginning September 4, 2018 at our Oxbow Schoolage Program in Ilderton. Candidates are preferably Registered Early Childhood Educators (RECE), however, other related diplomas such as CYW are considered along with experience. Apprenticeship opportunities are offered for those who want to work towards their diploma in Early Childhood Education. Current First Aid and CPR-c training and a vulnerable sector reference check within the past 6 months are required before commencement of employment. Candidates must have driver's licence and own vehicle.

Hours for the school year are 7:15/ 7:30- 9:15 am and 3:15-6:00 pm as well as opportunities for work and supply work, in-between at our child care centres. Positions work all year through including PA days and school holidays including the summer (educators work approximately 5 hours/day on non-school days). The starting salary/hour below includes \$2/hr provided through a government wage enhancement grant. Future opportunities are provided for permanent employment for our before and after school educators who are RECE.

Educators plan and implement inquiry and play based programs for school age children in a team focused environment that provides ongoing opportunities for learning and growth.

We thank you for your interest in a position with our company however, only those chosen for an interview will be contacted.

Starting Salary: \$18.98 /hour for RECE and \$17.07/hour for those with other related diplomas

Please send resumes to Diane Gordon, Executive Director- dgordon@whitehillsschildcare.ca
