

Learning and growing together one step at a time

Whitehills Childcare Association is hiring for the following position:

Before and After School Educators

At Whitehills Childcare Association, we truly value the role that our educators play in the lives of children 4-12 years and their families in our before and after school programs.

We have positions available beginning February, 2020, at our Oxbow Schoolage Program in Ilderton and our Parkview Schoolage Program in Komoka. Candidates are preferably Registered Early Childhood Educators (RECE), however apprenticeship opportunities are offered for those who have other related qualifications and want to work towards their diploma in Early Childhood Education. Current First Aid and CPR-c training and a vulnerable sector reference check/ application within the past 6 months are required before commencement of employment. Candidates must have driver's licence and own vehicle.

Hours for the school year are 7:15- 9:15 am and 3:00-6:00 pm as well as opportunities for work and supply work, in-between at our child care centres. Positions work all year through including PA days and school holidays including the summer (educators work 5 hours or more/day on non-instructional days). The starting salary below includes \$2/hour provided through a government wage enhancement grant. Opportunities are provided for permanent employment for our before and after school educators who are RECE or actively working on their apprenticeship. Permanent employment includes an excellent Group Benefits plan and an RSP plan with employer contributions.

Educators plan and implement inquiry and play-based programs for school age children in a team focused environment that provides ongoing opportunities for learning and growth.

We thank you for your interest in a position with our company however, only those chosen for an interview will be contacted.

Starting Salary: \$19.49 /hour for RECE

Please send resumes to Diane Gordon, Executive Director- dgordon@whitehillchildcare.ca
